

Revenue Management

MRK's Revenue Management recruitment division continues to be one of the fastest growing areas of MRK's business. Focusing on the recruitment of Commercial Leadership, Revenue Management, Pricing and related positions across the UK and internationally, stretching from America, across Europe to the Middle and Far East.

As the first recruitment agency in the UK to wholly specialise in revenue management recruitment, we were the first to treat the profession as a "white collar" technical job as opposed to an operational hospitality position – coupled with our pricing in the commercial sector, we have an unparalleled knowledge in this market.
